

# ***NJ Symphony Orchestra Field Trip***

Dear Parents/Guardians of Senior Band and Senior Orchestra Students,

We are taking a field trip to hear the Garden State's very own professional orchestra, The New Jersey Symphony Orchestra! The performance will take place at the home of the NJSO, the NJPAC in Newark, NJ. This performance is specifically geared toward students, providing an interactive format that includes curriculum for the teachers in advance to prepare the students for the music they will be hearing. This enhances the performance format that includes interaction with the musicians and conductor. There are also live cameras that provide several up-close views of the orchestra while they are performing. This year's theme is centered around the music of Ludwig van Beethoven.

This trip will be taking place on **Tuesday, November 13, 2018**. The students will be leaving during block 1 and will be returning before the end of the school day. **The cost of the trip is \$25**. Cash or a check payable to "GBMS" will be accepted. Please fill out, sign, and return the bottom portion of the permission slip with the payment for the trip. Should you have any questions, please contact either Mr. Sorensen ([vsorensen@gbtps.org](mailto:vsorensen@gbtps.org)) or Mr. Alzaher ([walzaher@gbtps.org](mailto:walzaher@gbtps.org)).

We look forward to a positive and wonderful experience!

Sincerely,  
Mr. Sorensen & Mr. Alzaher
