LEADING THE WAY TO A BETTER AND BRIGHTER FUTURE FOR ALL

My name is Nadine Greybek Green Brook Middle School. I for your help in achieving a

and I am an 8<sup>th</sup> grader at am reaching out to you to ask goal of mine. Last year I

attended the Junior National Youth Leadership Conference (JNYLC) in Washington D.C. I can't even begin to tell you how big of a positive influence this had on my life! In short, when the week was over we were given some homework to do when we got back home. One of them was to create a goal and achieve it. I have chosen to pay my own way to get to the leadership conference this year. It is \$2,500.00 for the week. It includes classes to help me develop my leadership skills further, strengthen my teambuilding skills, includes residential housing, food, educational trips to the monuments and museums, and even a sleepover at the Maryland Science Museum. I was awarded a \$200.00 scholarship from Envision from the hard work I did during last year's conference. What an honor. So now I only need to raise \$2,300.00. I am doing a fundraiser through Envision ([www.envisionexperience.com](http://www.envisionexperience.com) which is the group that runs the JNYLC) and they have established a PayPal page that donations can be made to directly to help me reach my goal. I am grateful for any and all contributions no matter how big or small. Thank you in advance for considering helping me! I will continue to work hard at my leadership skills to:

“Make the world a better and brighter place!”
